PUBLIC RELEASE TO INFORMATION MEDIA

Survivors Not Victims, Inc. is a sponsor for the Summer Food Service Program. Meals will be provided to all children without charge. Acceptance and participation requirements for the Program and all activities are the same for all regardless of race, color, national origin, sex, age or disability, and there will be no discrimination in the course of the meal service. The Summer Food Service Program was established to ensure that children in needy areas could receive nutritious meals during school vacation. Over 14 million children nationwide receive free or reduced price lunches and breakfasts for 9 months of the year. For many of those children, summer vacation does not mean "fun in the sun but rather increased risk of hunger and developmental decline. Learning does not end when school lets out. Neither does the need for good nutrition, which is crucial for children to have safe and productive summers.

The summer food program provides an opportunity to continue a child's physical and social development while providing nutritious meals. The program helps children return to school ready to learn. Free meals are provided to all children between the ages of 1 and 18 at USDA/VDH approved open or enrolled sites.
